## Message from the Department Commander

Welcome to the February edition of the "Lava Ledger". This has been an exceptional month, highlighted by an outstanding Homecoming Celebration. I want to extend my heartfelt gratitude to the dedicated VFW Department of Hawaii team whose hard work made this event a resounding success.

A special thank you to Department Auxiliary President Stanford "Taka" Shiroma, whose foresight secured the venue a year in advance. Taka's contributions didn't stop there, coordinated Auxiliary support and provided delicious desserts. Sr. Vice Commander Jason Seal kept the event on track as Master of Ceremonies, ensuring everything went smoothly. Comrades JT Tauau, Rodney Boucher, and Greg Agonoy expertly handled logistics and electronics, while Chief of Staff Randy Grant and George Bartlett offered valuable leadership. Norbert and Gerri ensured the registration process was seamless. Fa'afetai Tele Lava to everyone involved!

I also want to give special appreciation to Comrade Jame Schaedel, our Legislative Liaison, for his leadership during the legislative conference. Jame led our delegation to meet with every member of Hawaii's Congressional delegation, securing support for our VFW Legislative Priorities. His exceptional coordination ensured that our representatives were well-informed and aligned with our mission.

Thanks to Jame's efforts, I had the privilege of attending the Presidential Address to the Joint Session of Congress as a guest of Representative Ed Case. It was a once-in-a-lifetime experience, including meeting astronaut Scott Kelly, speaking with Representative Al Green, and sitting near Melania Trump, Elon Musk, and Kash Patel. Mahalo Nui Loa, Comrade Jame Schaedel!

Congratulations to Makoa Arnett-Cook, who placed 6th in the National Voice of Democracy Scholarship Program and earned a \$5,000 scholarship. Makoa's dedication and hard work exemplify the excellence we strive for within our community.

Lastly, I proudly recognize Comrade Joshua "JT" Tauau as Comrade of the Month for February. JT's selfless service, loyalty, and mission-focused leadership make him an invaluable asset to our organization. This recognition is long overdue. JT, your dedication has not gone unnoticed, and we deeply appreciate all that you do for our veterans and our organization.

As we continue forward, let's embody the spirit of service, commitment, and excellence that defines the VFW Department of Hawaii. Until next month, stay healthy, positive, and ready to serve those who served us.

Fa'afetai ma ia fa'atasi le Atua!

Ben Fuata  
Commander

## VFW CONTINUES ADVOCACY FOR UNADDRESSED TOXIC EXPOSURE

\*THIS ARTICLE WAS  
PUBLISHED IN THE JAN/FEB  
2025 EDITION OF THE VFW  
MAGAZINE

### VFW'S WORK RELATED TO MILITARY TOXIC EXPOSURES IS NOT OVER AS MANY HEALTH CONDITIONS STILL NEED TO BE COVERED BY THE DEPARTMENT OF VETERANS AFFAIRS

The Honoring Our PACT Act, passed in August 2022, provides veterans who served in countries such as Vietnam, Afghanistan and Iraq with expanded access to VA health care and earned disability benefits due to exposure to burn pits and other toxic substances. Some consider the PACT Act to be the most significant piece of veteran legislation in history.

But VFW's work on military toxic exposures is not over. The PACT Act was originally intended to address not only health conditions due to burn pit exposure but also it called for VA to continuously research and review conditions related to any toxic exposures from the past, present and future.

However, lawmakers instead included a process that is internal to VA, and advocates have found it to lack transparency, timelines, and input from veteran stakeholders.

VFW National Veterans Service Director Michael Figlioli said that VFW wants more health conditions related to toxic exposures to be recognized by VA. One of these includes suspected uranium exposure at Karshi-Khanabad Air Base (K2 or Camp Stronghold Freedom) in Uzbekistan. There also was water contamination at Alabama's Fort McClellan and at the Red Hill Bulk Fuel Storage Facility at Joint Base Pearl Harbor-Hickam, Hawaii.

"Despite the abundance of conditions already covered under the PACT Act, veterans continue to report many unaddressed issues tied to toxic exposure," Figlioli said. "The VFW will continue to demand that VA continually updates the presumptive conditions evaluation process."  
VFW IS HERE TO HELP.

In August 2024, VA reported that 333,767 veterans with PACT Act-related symptoms enrolled in VA health care thanks to the law. About 1 million veterans are receiving PACT Act-related disability compensation, according to the department.

VFW urges veterans to visit <https://pactactinfo.org/questionnaire> and answer a few questions to determine eligibility and connect with one of VFW's VA-accredited service officers. Also, services that VFW service officers provide are free to all veterans (members and nonmembers) and families, no matter what. VFW also wants veterans and their families to be aware of predatory companies, known as "claim sharks," that target veterans' earned VA benefits. These companies promise veterans increased disability ratings and expedited claims decisions. Charging fees for initial claims assistance is illegal, and veterans should be aware that they put themselves at risk of committing fraud by working with any unaccredited consultants. Learn more at <https://dontfeedthesharks.org>.

#### MORE TOXIC REFORM IS NEEDED

The Disabled American Veterans and the Military Officers Association of America in September 2024 released a report titled Ending the Wait, that found on average, veterans who were exposed to toxins while in the military wait an average of 34.1 years to receive expanded access to VA health care and earned benefits.

VFW National Legislative Service Deputy Director Kristina Keenan, who was a consultant for Ending the Wait, said this only highlights the need to establish a more efficient presumptive process for toxic exposure-related health conditions.

"The PACT Act was an historic piece of legislation that primarily addressed dozens of serious illnesses associated with burn pit exposure for Persian Gulf War and Post 9/11 veterans," Keenan said. "The presumptive process established in that legislation is not the robust and transparent model we originally wanted. We will work with VA, Congress, and our partner veteran service organizations to find solutions that will ensure there is a continuous review of toxic exposure conditions for all eras of veterans."

# VFW POST 12138 COMRADE OF THE MONTH JOSHUA TAUEU

## HONORING JOSHUA "JT" TAUEU: THE RELENTLESS FORCE BEHIND THE MISSION

The Veterans of Foreign Wars Department of Hawaii proudly recognizes Comrade Joshua "JT" Taueu as the Comrade of the Month for February 2025 for his relentless dedication, exceptional leadership, and unwavering service to veterans and the VFW.

JT is a powerhouse of commitment and integrity—always leading from the front yet never seeking the spotlight.

Renowned as the "Go-To Person" at the department, Comrade JT is loyal, dependable, extremely humble, and consistently exceeds expectations. He ensures that every task he undertakes is ahead of schedule, professionally executed, and delivered with excellence while maintaining his trademark humility and enthusiasm.

As the Post 12138 Service Officer, he plays a pivotal role in guiding veterans through benefits processes, spearheading community outreach initiatives, and ensuring that no veteran is left behind. At the department level, JT serves as a National Aide-De-Camp (FY23-25), Assistant Adjutant, Safety Officer, and IT Coordinator, modernizing VFW operations by streamlining communications, standardizing essential forms, and upgrading audiovisual capabilities for enhanced efficiency.

JT's contributions extend far beyond administration—his impact in community service is profound. He has led and coordinated flag-folding ceremonies at Pearl Harbor, organized the Mauna Ala Royal Mausoleum cleanup with the Hawaiian Civic Club, and actively participated in multiple Post Service Days. During VFW Western Regional Conference 2024, JT served as a key logistics leader, ensuring seamless DPAA visits and delivering outstanding hospitality support, demonstrating his dedication to both national and regional VFW initiatives. He also played a pivotal role in Veterans Day ceremonies at Punchbowl, the WWI and Korean War Memorials, ensuring a dignified tribute to our fallen heroes.

Beyond service events, JT is a driving force in fundraising and veteran welfare advocacy. He was instrumental in organizing Post 849's Bowling Tournament fundraiser, coordinating the donation of 20 Thanksgiving turkeys to the VA Akaka Center, and fostering partnerships to establish monthly food distributions for veterans in need. His leadership was further evident when he represented the VFW at the VA Director's Briefing with Dr. Adam Robinson and participated in the December 7th Pearl Harbor Memorial Ceremony alongside National Sr. Vice Commander Carol Whitmore.

JT's exceptional leadership, tireless commitment, and profound dedication to veterans and the VFW mission have left an indelible mark on Post 12138 and the Department of Hawaii. His behind-the-scenes efforts drive success, inspire comrades, and reinforce the core values of the VFW. For his outstanding service and unwavering commitment, JT is truly deserving of the VFW Department of Hawaii Comrade of the Month for February 2025!

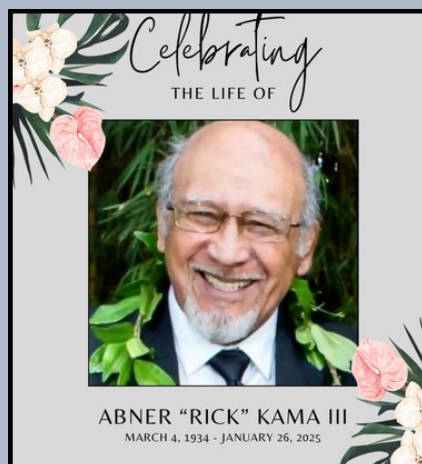

# VFW POST 3830 CELEBRATES THE LIFE OF ABNER "RICK" KAMA

## REST IN PEACE, COMRADE ABNER "RICK" KAMA

It is with deep sadness that we announce the passing of our dear brother and comrade, Rick Kama, who passed away in Idaho, where he and his wife, Jan, moved to be closer to their son, Jason.

A dedicated and long-time Life Member of VFW Post 3830, Rick played a pivotal role in the relocation and redesignation of the Post from Camp Kamehameha on Hickam AFB, Oahu, to its current home in Pāhoā, Hawaii. His service as All-State and All-American Quartermaster for many years was instrumental in the Post's success. Even after moving to Idaho, Rick and Jan's unwavering passion and commitment to the Post and Auxiliary remained strong.

Rick's kindness, leadership, and dedication to our mission will be deeply missed, but his legacy will continue to inspire us.

Our hearts go out to Jan, Jason, and the entire Kama 'Ohana during this difficult time. May they find peace and comfort in the cherished memories of a remarkable man.

We bid Comrade Rick a fond farewell and Aloha 'Oe. May he find clear skies and calm winds as he embarks on his final journey to meet our Lord and Savior, flying with the angels.

A Celebration of Life was held at VFW Post 3830 in Pāhoā on February 22nd at 10 AM.
